

Help for substance abusers

Maria Fernandez-Greczmiel of the U.S. Department of Veterans Affairs presented a \$500,000 check to supporters of Benilde Hall, a residential treatment home for homeless men who are substance abusers. The money will go toward the renovation of the old St. Vincent's Hospital, 3220 E. 23rd St. The new home, expected to be completed by the end of the year, will allow the program to expand from 24 to 46 beds.
